

#柬埔寨sky-high priced license plate sold for \$120,000 appeared in Cambodia!

Recently, Cambodian netizens discovered a license plate that was sold for as much as \$120,000 (about 840,000 RMB). 168 all the way, this is obviously prepared for Chinese bosses!

The license plate has the number 168, which is indeed considered an auspicious number in Chinese culture because it is pronounced similarly to "all the way to prosperity" in Chinese, meaning "get rich every day."

PS: Do you think 168 is worth 120,000 US dollars?
